## Charter aircraft of the Month – Hawker 850XP

From our [Super Light and Midsize Jets range](#), we've selected the Hawker 850XP. Made by Beechcraft Corporation, the jet is a derivative of the world's longest running corporate jet production program and the best selling business jet of all times with an endurance of 5hrs.

One of the charter market's most versatile and reliable mid-size private jets, its spacious cabin, stand-up headroom and luxurious club-style seats makes the Hawker 850XP the ideal size for eight passengers to fly medium-haul journeys in comfort and luxury.
